Dear Agency Partner,

Considering recent events related to COVID-19, American and its Joint Business Partners want to express our commitment to you and your business by offering to **extend the current term** of your North America Based Joint-Business Incentive Agreement under the same terms and conditions as previously agreed.

By this letter agreement, the General Terms and Commercial Addendum will be extended until March 31, 2021. Should you decide to reject this offer of extension, please contact your Account Manager no later than September 8, 2020. Unless we hear from you on or before September 8, 2020, we will extend the term of your agreement as noted above.

This extension enables us to maintain our strong relationship as we both navigate through the current challenges of our industry. We remain committed to offering you not just the best but also industry leading programs for the future growth of both our businesses.

As always thank you for continued support.

Best regards,
